

Saturday, September 12, 2009

The Fraser River Panel announced the following regulations for United States Panel Area waters:

UNITED STATES FRASER RIVER PANEL AREA WATERS:

Areas 6, 7, and 7A: The previously announced net fishery that was scheduled to close at 9:00 p.m. Monday, September 14, 2009 will now close at 9:00 p.m., Sunday, September 13, 2009.

Areas 4B, 5 and 6C: As previously announced, open for drift gillnets from 12:00 p.m. (noon), Saturday, September 12, 2009 to 11:59 (midnight), Monday, September 14, 2009.

This was the final scheduled in-season meeting of the Panel in 2009.
