The Panel met Monday, August 19th to review the status of the Fraser sockeye migration. No changes to run-size were announced. The run-size of Early Summer-run sockeye remains at 850,000, the Summer-run stock-group remains at 6,000,000 sockeye, and the Late-run stock group remains at 5.5 million sockeye.

All Panel regulated commercial fisheries remain closed.

The Panel will meet again Friday August 23rd but in the meantime will continue to monitor the sockeye migration.
