BOAT OPERATOR POSITION

The Hydroacoustics program of the Pacific Salmon Commission has an immediate opening for a boat operator, from now until the end of September 2017. This position assists the Hydroacoustics program in monitoring upstream passage of Fraser River sockeye and pink salmon based out of a field site in Mission, BC.

Duties and Responsibilities:

- Operating a 7 metre long vessel to collect sonar data by transecting the Fraser River
- Maintaining and monitoring of data collection equipment
- Troubleshooting vessel problems
- Working a 12 hour shift schedule

Qualifications:

- Experience operating a boat
- Ability to work shift work, including night shifts
- Comfortable working independently
- Possession of a Pleasure Craft Operator Card
- Ability to travel to/from the field site in Matsqui Trail Regional Park, Abbotsford, BC.

Salary:

The wage for the position is \$20.89 per hour.

Interested applicants should e-mail a résumé to lagasse@psc.org. As this is an immediate opening, the position will be filled as soon as a suitable applicant is found.
