

PSC Seminar Series

The 2026 El Niño and state of the
Columbia and Fraser River Fisheries

August 19, 2026; 2:00 pm- 3:30 pm **Pacific time**
Online via Zoom

The Southern Panel and Coho Technical Committee are pleased to announce a seminar for the PSC family, “The 2026 El Niño and state of the Columbia and Fraser River Fisheries” featuring Dr. Guillaume Mauger (UW Climate Impacts Group), Shannon Conley (WDFW, Columbia River), and Dr. Catherine Michielsens (PSC Secretariat) on Wednesday, August 19, from 2:00pm-3:30pm PDT.

This will be the 28th in a series of 1.5 hour virtual ZOOM seminars intended to provide information on environmental change, its effects on salmon across their life cycle, and salmon management from both western and indigenous perspectives. The seminar will feature noted speakers from the United States and Canada, followed by a facilitated Q & A session.

Registration for live seminars is available only for PSC family members. Each seminar is recorded and made available to the public on the [PSC website](#) and [YouTube channel](#) shortly after the live event.

Please register in advance (free of charge) at:
